Sir:

The Examiner's attention is directed to the references which are listed on the attached Forms PTO/SB/08A (1 page) and PTO/SB/08B (2 pages). Copies of the non-patent references are being sent separately via Express Mail.

Applicant notes that five of the non-patent references were distributed without publication dates and Applicant has been unable to determine the date that these documents were actually published. Nonetheless, in order to have these references considered by the Patent Office, Applicant has listed these references in the attached PTO/SB/08B as having a publication date of "April 2003 or earlier." However, Applicant makes no representation that April 2003 is the actual date of publication and, upon the discovery of reasonable evidence, reserves the right

to supplement the record with revised publication dates, including dates that may disqualify the references as prior art.

Please charge the fee of \$180.00 associated with this Statement required under 37 CFR § 1.17(p) to Deposit Account No. 13-3080. If the Applicant has overlooked any additional fees associated with the filing of this Statement, this is your authorization to charge Deposit Account No. 13-3080 for any deficiency.

Citation of these references is respectfully requested.

No concession is made that these documents are prior art, and Applicant expressly reserves the right to antedate the documents as may be appropriate.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Derek C. Stettner', is written over a horizontal line.
